Metallic Paint: Color variation is a characteristic of aluminum composite panels with metallic paint finishes. Laminators Incorporated **DOES NOT** warrant a color match for these panels.

Colors are as close to actual painted metal as possible with available printing techniques. Actual color chip samples are available on request. All economy and standard colors offer a 10-year warranty; all Kynar 500® colors offer a 20-year warranty.

Laminators reserves the right to make changes in product design or color offerings without prior notice.

Kynar 500® is a registered trademark of Arkema Inc.
